

Nick Bryant: The Troublemaker and the Terrier podcast

Carol Altmann – The Terrier

An intermission. I was thrilled to be invited to be a part of this new podcast, *Journo*, put together by Nick Bryant, a stellar journo, and former BBC correspondent in New York who is now living in Sydney.

If you have 39.09 mins to spare, you may enjoy a listen to how The Terrier and other small, nippy, independent sites are holding those in power to account. The link is here: <https://pod.fo/e/f13ef>

See you Sunday.
