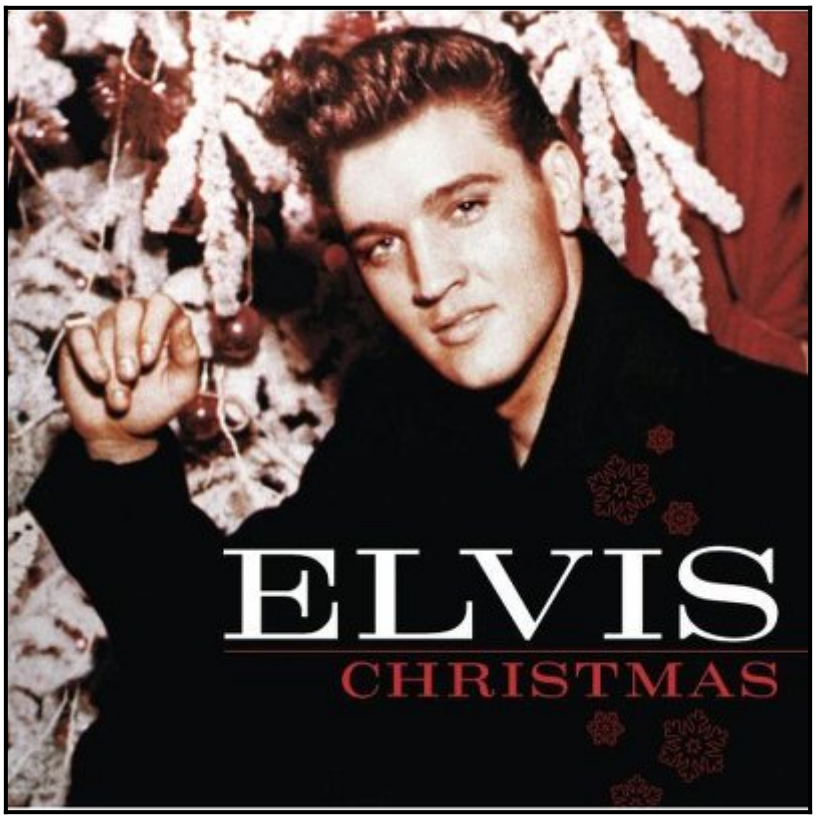
A blue, blue Christmas



[dropcap style="font-size: 60px; color: #A02F2F;"] I [/dropcap]f you thought you were going to get away without even ONE Christmas Carol from *Bluestone Magazine,* then think again.

After all, Carol is one half of *Bluestone* and this is her season!

Click on the image of the great crooner himself to enjoy our selection…

(And try not to feel like you are at your relative's house already – that will happen on December 25!)

Merry Christmas everyone!
